

**NEPTUNE**  
BUILDING SERVICES LTD

## Case Study | Thamesview Building B

Client	Schlumberger
Main Contractor	Barnwood Construction Ltd
Architect	Nicholas Hare Architects LLP
Contract value	£1.55 Million

Neptune Building Services has recently completed the new office development at Building B, Milton Park – Abingdon.

The ground floor houses a commercial kitchen and restaurant on one of the wings with the other wing occupied by offices, training room, auditorium and server room. Toilets are located on all three floors adjacent to the central core. On the roof, a plant room is located over the central core area, with external plant spaces over the two wings, either side of the plant room. The external plant is concealed by a perimeter screen enclosure supported by steel posts constructed off the roof slab.

The Mechanical services we will be undertaking are as follows:

- Above ground drainage, HWS & CWS Domestic Services, LTHW heating, CHP & Pipework Distribution, Air Conditioning, Mechanical Ventilation, WC Extract System, Gas & Fuel Installations and BMS controls
